Australian Motorhomes will be showing the *Winnebago Whitehaven* and *Winnebago Bondi* models.

Winnebago RV motorhomes began manufacturing under licence by Australian-owned Apollo Motorhome Holidays in July 2014.

Ron Warden of Australian Motorhomes said he was pleased to be one of the first Australian dealerships to offer Winnebago RV product to the Australian public.

“We are sure the new Winnebago Whitehaven and Winnebago Bondi will impress buyers with their innovation and quality at very good prices,” he said.

The top of the 2015 range Winnebago Whitehaven features offers an indulgent motorhome experience and a truly sophisticated way to travel. Featuring an expertly-designed interior, the single floor from cab to ensuite is the base for a beautifully appointed interior featuring leather swivel cabin seats and stylish LED lighting. The Whitehaven’s 2m slideout panel extends almost 2 feet to create a spacious daytime living area, comprising of a café style dinette and 186L 3-way fridge/freezer, complementing the fully equipped kitchen. At night, the extension of the slideout creates additional room around the East-West island bed, making the Whitehaven a luxurious choice for long term travellers.

The Winnebago Bondi is an exciting addition to the Winnebago motorhome line-up, offering a compact and agile alternative for adventurous couples. Available in both 2 and 4 seat configurations, the Winnebago Bondi offers a full onboard kitchen and bathroom, compact dinette, spacious lounge area and electric bed.

Winnebago RV Pty Ltd will hold an official national launch at the 2015 Victorian Caravan, Camping and Touring Supershow, to be held 11-16 February at the Melbourne Showgrounds.
